

# Apostle Islands

## October 10-13, 2025 (4 Days)

The islands are noted for high cliffs of reddish sandstone with many wave-formed arches and caverns that develop magnificent scenery. The Apostle Islands National Lakeshore has more lighthouses than any other site in the National Park System with 9 historic towers on 6 islands. The islands were probably named by 17th-century Jesuit missionaries for the Twelve Apostles. There are 22 islands in total.
