Little did the Clauson Family know when they started renovations on an old farm in Coloma, WI, back in 1991 that they were destined to become an entertainment staple not only in their community, but throughout Wisconsin. The renovations on the barn were completed in 2002 and with that, the popularity of their variety show started to take off.

Fast forward to 2021 and the Clauson Family has really made a name for themselves. Whether you see a show in their beautiful barn or you catch them performing at many different venues throughout the state, they never disappoint! No need to worry about the summer sun when you visit the Clauson Family Farm. The barn where the dinner and show are hosted is air conditioned for your comfort. The barn now features a gift shop, craft corner, and coffee shop. Come and enjoy an afternoon of good food and great entertainment with new friends!
