

Covid-19 Pandemic Informed Consent

I, _____, understand that I am opting to partake in a group tour that will involve transportation, hotels, meals and attractions with many other participants.

I also understand that the coronavirus disease (COVID-19) has been declared a worldwide pandemic by the World Health Organization (WHO). I further understand COVID-19 is contagious. State and federal health agencies **recommend** social distancing, approximately 6 feet and when that can't be done to wear a face mask or covering. This is a recommendation NOT a requirement. You will make the choice.

I recognize that the staff at Personalized Tours & Coaches are closely monitoring this situation and have put in place reasonable preventative measures targeted to reduce the spread of this virus. However, given the nature of the virus, I understand there is an inherent risk of becoming infected with COVID-19 if I proceed with this tour.

Accordingly, I acknowledge and assume the risk of becoming infected with COVID-19, and any variation or mutation, thereof, through traveling with Personalized Tours. This consent applies to any follow-up or additional tours / gatherings in the upcoming months. This consent will NOT expire.

I understand that even if I have been tested for COVID-19 and received a negative result, the tests may not have detected the virus or I may have contacted COVID-19 after the test. I hereby expressly waive and release any and all claims, now known or hereafter known, against the company and its officers, directors, employees, agents, shareholders, successors and assigns (collectively, the "Released Parties"), on account of injury, illness, or death arising out of or attributable to COVID-19 and any variation or mutation thereof due to my participation in the group tour with the company, whether arising out of the negligence of the company or any of the Released Parties. I covenant not to make or bring any such claim against the company or the Released Parties, and forever release and discharge the company and all other Released Parties from liability under such claims.

I understand that exposure to COVID-19 before, during or after my tour may result in complications and /or delayed healing.

I understand all the risks including those noted herein and I would like to proceed with this tour. I have been offered a copy of this consent form.

I understand the explanation and consent to participating in the tour.
