

The Travel Bug

JANUARY **APRIL** JULY OCTOBER

Finally some fun in 2021!

TRACY'S TRAVELS...

I'm confident after the past two weeks that the return of travel is here! We're taking baby steps in order to adjust to feeling "normal" again. Over the past year we've gotten a bit rusty, but because humans are wired to be with each other, travel is coming back with a vengeance and we look forward to getting on the road again. The simple act of meeting and connecting with new people is exciting because we all come from different backgrounds but share the desire to discover new places.

I'm confident that no matter the tour you choose, you're going to have an amazing time. The true indicator in being a successful traveler isn't how many miles you go, but the people you connect with and the support for the local communities we visit. So when that travel bug bites, call Personalized Tours and we'll do you up right!

ARE YOU FUN & ADVENTUROUS?

We just had an article published in Destinations Magazine on how popular our mystery tours have gotten over the past 30 years. Mysteries fill the quickest, have the most repeat travelers, and people can't get enough of them. This is because the most fun and adventurous personalities sign up on a tour that they know very little about. Seem strange? Some people can't understand how people can "take a chance" on a tour they don't know where it is going. I read an article about why surprise is important. It turns out that the element of surprise works on the dopamine system in our brains, helping us to focus our attention and inspiring us to look at our situation in new exciting ways. The four stages of surprise are:

1. FREEZE-when we are stopped in our tracks because of the unexpected
2. FIND-when we get hooked into trying to understand what's going on/how this happened
3. SHIFT-when we begin to shift our perspectives, based on conflicting findings
4. SHARE-when we feel the pull to share our surprises with others

Each stage encourages more surprise in our lives. When we are in a certain phase of surprise, it can help us to adopt a stance of curiosity, asking questions rather than looking for answers right away, and the experience may make you stop and, if you are willing, get curious and think in new ways. Try a mystery or better yet an Endless Mystery not knowing when we will return. They are a BLAST!

CALLING ALL VOLUNTEERS!

Personalized Tours is looking for volunteers to help put our quarterly newsletter together! Our dedicated team of newsletter ladies have helped for many years, but as our clientele base grows, our mailing list does as well. We mail catalogs to over 5,000 households every quarter and we could use a little more help. If you'd like to join the group fold, tape, label and stamp newsletters, give us a call and we will add you to our volunteer list. Be the first to see what's new!

This is a notice to anybody who would like to continue receiving our publication. Our server will be cleaning up our mailing list, and anybody who has not traveled with us within the last 3 years will be removed. If that includes you, but you would still like to receive our mailings, please call or email our office.

We also offer promotions and deals to our email subscribers. You'll receive our newsletter early AND get our weekly Scoop Updates! For more information on The Scoop, see page 9 "Emma's Updates".

TRAVEL INSURED PROTECTION

The way we offer Travel Protection is changing! We partner with Travel Insured International to bring you a great option to protect your investment in travel. As of March 1st, 2021, they have changed their policy details and have streamlined the process.

Travelers will now need to sign up for protection online and send payment directly to Travel Insured. If you have problems submitting your protection, we are more than happy to help but due to privacy and insurance laws in place, we are unable to pay on your behalf or begin claims for you.

Their new website makes it easier than ever to purchase your policy and see all of your policy details. For more information or for a quote, please call/email our office.

5 WAYS TO GET AWAY...and we offer them all!

1. **Guided Tours:** Professionally led trips offer an easy way to travel. From start to finish everything is taken care of for you and a tour director will travel with you.
2. **Bubble Tours:** Custom, small-group tours that offer the services of a Personalized Tour with more one-on-one contact.
3. **All-Inclusive Resorts:** Spend time thinking about, well, nothing at all. Do as much or as little as you like on this relaxed vacation.
4. **Cruises:** Exploring the world on a floating hotel can be super laid-back or a thrill-a-minute depending on how you spend your time.

Military bands, drill teams, bagpipers, drummers, Celtic dancers, choirs and more from around the globe will create this spectacular performance. In addition to the festivities, take in the Chesapeake Bay Bridge Tunnel, one of the seven engineering wonders of the modern world. Michele's Minutes

I'd like to take a moment to address our travelers from the Fox Valley that have come to us from Nationwide Travelers. I have spoken to many of you who are interested in starting to travel again but are wondering why we do not have more One Day tours listed for our Fox Valley travelers. The answer is quite simple...we need to get enough people moving in the Fox Valley area to be able to offer more One Day tours departing from the area. We have started radio advertising on WHBY and are adding a couple of Wine Wednesday tours specifically for our Fox Valley and surrounding area travelers and as more people start signing up, we will start adding more One Day tours. Please remember that if you are from the Fox Valley and surrounding area, we welcome you on any of our Extended Tours with pickups in Appleton, Oshkosh, and Fond Du Lac (this does not include TOPS tours). If we do not have enough people from the Fox Valley to send a bus for pickup on an Extended Tour, we will come up with a smaller vehicle and bring you to the bus. The best part of having travelers on Extended Tours from both Fox Valley and more southern areas is that there is less chance of a tour getting cancelled due to low numbers because there is a much larger pool of people to help fill the bus. However, on the flip side of the coin this

means it will be extremely important to book early to secure your space. With the phones ringing more, it has been nice to reconnect with many of you from Nationwide that I haven't spoken to in over a year...you forget how much those connections mean, and they just make my day! As always, if you have any questions, please do not hesitate to contact our office. Tracy, Emma and I are always happy to help in any way we can! I cannot wait to start seeing you all "on the road!"

REAL ID

As some of our travelers may already know, the requirement for the Real ID deadline was extended to October 1, 2021. Every individual who wishes to travel by air MUST have a Real ID driver's license/state ID in order to fly, even on domestic flights. Real ID compliant cards are marked with a star at the top of the ID. A Real ID can be obtained at your local DMV. If your ID is up for renewal, it will be free of charge with your renewal. If your ID is not expired, the cost of a duplicate ID will apply. If you plan to travel with us this fall or later on any trip that travels by air, this is required. A valid passport is also acceptable.

REMINDERS

ONE-DAY TOURS One-day tours must be paid within 7 days of making the reservation. They are non-refundable and only transferrable if we are able to replace you with someone from our waiting list. A \$20 deposit is required to hold space if reservations are made more than 90 days in advance.

TRAVEL INSURED TRAVEL PROTECTION Travel Insured Travel Protection is available on any extended tour. Travel Insured policies must be purchased by the traveler from the Travel Insured website and paid for independently. Personalized Tours cannot pay on behalf of traveler or begin the claims process for travelers. Our office staff is more than happy to help you navigate the Travel Insured website to purchase your plan. Policies must be purchased within 14 days of reservation for any pre-existing condition.

PAYMENTS Personalized Tours recommends payments via cash, check, or debit card. We accept Mastercard and Visa with a 3% credit card convenience fee. When Personalized Tours works with other tour companies that accept credit cards the 3% convenience fee does not apply.

TOUR CONFIRMATION Personalized Tours WILL NOT be making confirmation calls for one-day tours. Our reservation confirmations have been moved to an email only basis. If we do not have an email on file for you, you will not receive a confirmation. Email confirmations will go out within a week leading up to your tour and will include pickup locations and times. Please send us your email address. If you have any questions regarding your pickup, please call our office. If there is an emergency the date of departure, please call our emergency number at 262.339.9898.

Please refer to our website or call and ask for a complete list of our policies and procedures. We cannot print here due to space constraints.

EMMA'S UPDATES

Now more than ever, email is the most important form of communication we have. Attractions are opening, shows are beginning, and our buses are on the road. Those of you who don't have your email on file with Personalized Tours have probably missed some of the amazing One-Day tours we've taken in the past 3 months! We've been busy at the Fireside Theater for their concert series, traveling the state for Supper Club Sundays, and more. One-Day tours are being added all the time, and many of them are on short notice. The only way to see these new tours is by joining our email list or checking our website. Every week I send our Wednesday Scoop email update. It includes new tours, special offers, and more. I'd like to invite you all to join us every Wednesday at noon for our Facebook Live for a look into what Personalized Tours is up to! Call our office and we will get you signed up.
