THE QUARTERLY NEWSLETTER OF PERSONALIZED TOURS, INC.

AUGUST 2020

There's Travel Aplenty in 2020

Personalized Tours, Inc.

I hope this newsletter finds everyone healthy and ready to slowly get out and about. We have been busy at Personalized Tours & Coaches these past 4 months rescheduling tours that needed to be postponed, scheduling new tours that have been added, and coming up with our sanitization protocol for future travel. As someone told me last week "We can't stay locked down forever." Our first priority is our customers and staff and keeping everyone healthy. Please reference our website to see how we are "fogging" our coaches after every group, sanitizing and disinfecting all high touch areas, and distancing people on the coach by limiting the number of participants on a tour. We realize that healthy also means taking into consideration the mental state of individuals who live alone and crave human interaction. We have operated a couple of trips in June & July and all went well. When you are ready to join us on a tour, please know that we are working diligently to make sure you are as safe and comfortable as can be.

We have some really exciting news! Personalized Coaches has acquired Nationwide Travelers out of Appleton as of July 31. We have had an excellent relationship with Nationwide for decades and the Marks family were planning on retiring in a few years but with the pandemic, they decided to move their retirement up. This means we have 5 additional coaches in our fleet, some great additions to our drivers' roster, and have added Michele Last to our group tour department. I'm truly excited to welcome their loyal travelers on a tour "planned with them in mind."

The tours listed in this newsletter are scheduled to go so please take a look and give us a call, shoot us an email, or send me a text if you are ready to join us for some fun! We are suggesting if you are more comfortable, please feel free to wear a mask. We will provide the sanitizer / disinfectant. Things will be a little different for awhile but we promise many great destinations and unique experiences. Let's enjoy the rest of 2020 and welcome our Nationwide Travelers' friends to our journeys.

**TRACY'S

MEET OUR OFFICE TEAM

Emma Sanderson—Emma has been on the team at Personalized Tours since Fall of 2017. Due to her university's decision not to host in-person classes, we are fortunate to have her stay on throughout 2021. Emma is the voice you normally hear when you call to make a reservation and she can be found assisting Tracy with any detail that needs to be done, like sending out emails, keeping our website updated, and holding things together when Tracy is on tour. She's become Tracy's right hand! Emma's loves include riding her horse "Checkers," drawing, and of course travel.

Michele Last—Michele is excited to join Personalized Tours in September 2020 and brings with her over 22 years of experience in hospitality and tourism. She will dot all the i's and cross all the t's for you to ensure a fun and worry-free vacation as she spent the last 14 years planning and implementing motorcoach tours at Nationwide Travelers of Appleton. Michele prides herself on attention to detail. Her loves include her dog, her job, cooking and baking, and the people she meets along the way. Maybe you'll even see her on a bus someday.
