Michelle's Magic

My passion for the coach / tour industry started nearly 12 years ago, the day I met Tracy and John. They were serving as the tour manager and the driver of the very first tour group I had the pleasure of welcoming to the Pink Shell Beach Resort & Marina on Fort Myers, FL. From the moment they stepped off the coach, I was in awe of the professionalism, extraordinary, and genuinely personalized service they provided for their travelers! Spending time with Tracy & John, I learned so much about the coach tour industry and the incredible family business they had built. As they pulled away on the final day, they left me with a powerful inspiration and a new dream: a future in the coach / tour industry. I'm incredibly happy to have maintained my relationship with Tracy & John throughout the years, and I'm thrilled to have finally landed my dream job with Personalized Tours, working side-by-side with Tracy, creating, planning, and executing the truly memorable tours you have all come to know and love. As a proud new member of the Personalized Tours Family, I look forward to connecting with you soon! Come experience my magic.
