

# The Travel Bug 2022

MARCH JUNE SEPTEMBER **DECEMBER**

Personalized Tours, Inc.

Tracy's Travels

I know this sounds cliché, but where did 2022 go? We sat in limbo during 2020 and 2021 while the pandemic decimated the travel industry, but now the flood gates have opened! We are not going to complain about being too busy, it feels great. It allowed us to add another team member to our office staff. Judy Mentink, our customer service expert, will be reconfirming tours, answering phones, and helping on a wide variety of projects. Personalized Coaches has brought onboard the BEST mechanic around! We are blessed to welcome Todd Hoftiezer to the group. And some of you have met our newest driver, Bryan Fieck who brings decades of experience to our fabulous driving team. I even got out on the road last month to take a group to Branson, MO.... Oh, what fun we had. Donna and Lynn have been tour directing all the tours in 2022 and it's been a big relief for me, but I must say, tour directing is my first love.

Be sure to join us at one of the many travel shows listed on the back cover. Please RSVP so we can plan accordingly with food, drink, and seating. We have so much to share with our travelers in the upcoming year. Whether it's a cruise, an all-inclusive getaway, a deluxe motorcoach tour, or a one-day outing, we have something for everyone.

## NOTICE OF HOLIDAY HOURS

With the holidays quickly approaching, we'd like to make a quick reminder of our holiday hours in place this year. Our office will be closed the week between Christmas and New Years; December 24-January 2. Please feel free to call and leave a message and they will be returned when our staff is back in the office. During this time, please refrain from calling our emergency line for anything other than urgent needs. Any calls pertaining to reservations, questions on tours, payments, etc. should be made to our office number directly. Thank you for your understanding and we look forward to seeing you in the new year!

## 35th Anniversary Raffle

Our 35th anniversary grand prize drawing will be held on December 31st at Noon via Facebook live. The winner will be announced and will win the grand prize—a free tour! You don't want to miss it.

## MICHELE'S MINUTE

Hello everyone! As we look out our windows and see everything covered in a fresh layer of white, our minds wander to "getting away from it all." I'm just dropping in with a friendly reminder to all our Fox Valley travelers that Personalized Tours offers FREE shuttle service from Appleton, Oshkosh, and Fond du Lac on all tours 3-days or longer (motorcoach and flying) . So, if you are looking at "getting away from it all," but are hesitating because you don't want to drive to Waldo, or Allenton, or Germantown (depending upon the trip), remember, you don't have to! Who knows, you may even see my smiling face...or Jerry's, or Tracy's, or Emma's!

### Mailing List Clearing

With the cost of postage rising and so many mailings being returned to sender, our database is going through a cleaning and anyone who has not traveled since 2019 will no longer receive a paper copy of our mailing in 2023. If you are on our email list, you will continue to receive the digital copies. If you would like to remain on our mailing, please call our office and let us know so we continue sending to you.

As postage prices continue to rise, our office does 95% of our communication via email instead of traditional postage. You will no longer receive receipts or confirmations by mail! Please be sure to give us your email so we can send confirmations, receipts, and further information about upcoming tours.

## EMMA'S UPDATES

As many of you know, our tour lists are constantly changing and updating. With tours selling out much further in advance than ever before, it is important to see updated information as soon as possible so you don't miss out on your dream vacation. While our newsletters are a great resource, because they only come out 4 times a year, sometimes there are tours added between publications that you may not see until it is too late. The best way to avoid this? Like and follow us on Facebook! The Personalized Tours Facebook page is one of the best ways to get up to date information. Each new brochure we publish is posted to Facebook before anywhere else. You'll see the newest tours and not have to worry about missing out anymore. Our tour directors also post updates from along the road on tour so you

can see where are travelers are in the world. Another tip is to keep an eye on our website. It is always being updated and improved.

While on the topic of new tours and information, you may see a couple extended tours listed in our catalog that do not have a price detailed. Many of these tours are being finalized as I write, and prices are not yet available. All brochures will be finished and priced by January 1st in order for us to have all brochures available at our Travel Shows. These brochures will also be posted to Facebook and emailed to our email list as they become available, along with being published to our website. If you see a tour you are interested in but don't see a price, give our office a call and we can get information sent to you as soon as it is available.
