Michele's Minutes: How would you like a \$500 credit towards future travel? Great, now that I have your attention, Personalized Coaches is looking for professional motorcoach drivers! We are currently hiring drivers for full time, part time, seasonal, and occasional positions. Do you know someone who has a Class A or B CDL (commercial drivers license) with a passenger endorsement and at least 2-years experience driving a commercial motor vehicle? Someone who drives school bus and would like to supplement their income with weekend driving? If you do, we would love to hear from them. If they are hired, you will receive a \$250 credit towards travel when they have been employed 6 months and another \$250 credit when they finish a full 12 months of employment with Personalized Coaches. Just have them mention your name when they speak with us. Referrals often yield us the best employees, so we are eager to meet your friends and family! ** Travel credits have no cash value. **

Extra, Extra!

Did you know Personalized Tours has a weekly email newsletter? The Scoop is our Wednesday weekly update. It brings you new tours, information on trips, special offers, and more. If we don't have your email address already, call our office to get added to our list! With your email, it will also ensure that you get emailed receipts, confirmations, and information on tours with limited space. Also remember you can find full brochures on our website!

REMINDER: One-day tours are non-refundable AND non-transferrable. We must give final counts and payments for tickets and meals months in advance. When you cancel your reservation we aren't able to recoup the cost of your ticket. IF we have someone on the waitlist and they fill your reservation, you will be offered a chance to transfer that payment to a future trip. IF you find a replacement, that person can pay you directly and take your spot. Remember this is ONLY if we fill your spot. Counts cannot be changed.

Tour Availability

As our Spring tours begin to draw near, we want to remind our travelers that after final payment dates, all tours are on an as-space-available basis. 60 days prior to extended tours, we no longer can get group bulk ticketing for shows, hotels, meals, etc. Space is only available if venues still have space available. Don't let a final payment deadline stop you from calling, we are usually able to fit you in.

2022 TRIP LEVELS

This year, we will be bringing back our Platinum Plus and Silver Savings tours, along with adding our new Gold Getaway tours. **Platinum Plus** tours are the trips meant for those looking for the Best of the Best. We plan Platinum Plus tours with no time restraints or price restrictions—you will see everything there is so that you will never have to go back to see what you missed. Our **Gold Getaways** are for those looking for a small group adventure. These tours have very limited capacity and are perfect for those who like that small-group feel. Lastly, our **Silver Savings** tours are for those traveling on a budget. They are planned with price in mind and are conscious of people's budgets. They travel off-season and have less "fluff" included. Meals are basic.

EMMA'S UPDATES

Peace of Mind—What Is It And How Do I Take Advantage?

Many of you may have heard by now that Personalized Tours is bringing back our Peace Of Mind protection plans. However, there are some changes that you should be aware of. This coverage is protection, not insurance. This plan is totally in-house, so all claims are processed directly through Personalized Tours so there will be no 3rd party or middleman. Peace Of Mind is offered at a reasonable rate for extended tours operated through Personalized Tours. Please make note that International and Fly tours may not have protection available. Peace Of Mind issues reimbursement in the form of Travel Vouchers/Credit, not a cash refund. Peace of Mind protection is valid from the time of purchase until 48 hours prior to departure. It is a medical protection. A doctors letter confirming that the patient is unable to travel is required for reimbursement. Peace of Mind also covers death in the immediate family and travelers who test positive for COVID-19 within 10 days of departure. A positive test administered by a healthcare professional must be sent to our office for reimbursement.

All tours require a Peace of Mind form to be on file for each traveler, even those who decline protection. Pricing for this protection can be found on the back of each brochure, our website, or feel free to call/email for pricing. For more information and a comprehensive list of covered and non-covered cancellations, visit our website or ask our office staff for a copy.

Finally, we are still able to recommend you to insurance companies for those who prefer more comprehensive coverage. Please call our office and one of our reservationist will be able to assist you; however, if you purchase insurance through a 3rd party provider, Personalized Tours cannot assist with claims due to HIPAA and insurance privacy laws. We can put together paperwork required such as invoices and statements from our office, but we cannot submit paperwork, begin claims, or call your insurance agency on your behalf.
