**JANUARY APRIL JULY OCTOBER**

Finally some fun in 2021!

Personalized Tours, Inc.

I can't tell you how thrilled we were to say goodbye to 2020 and welcome in a new and exciting year! To say 2020 was challenging is an understatement. Even though we managed to salvage a few trips in the fall thanks to some wonderfully loyal travelers who kept us going, we operated at 15% of a "normal, pre-COVID" year. We are so anxious to welcome you back on a Personalized tour "Planned With You In Mind."

Our staff has been busy rescheduling and restructuring our tours for 2021 & 2022. Because we are basically "re-running" 2020 tours and now adding 2021, our newsletter space is limited so our detailed brochures can be found on our website at [www.GoPersonalized.com](http://www.GoPersonalized.com). If you do not have access to a computer or printer and would like more details than what's provided in this newsletter, please give our office a call and we will be happy to mail the information. Please see page 6 for our travel show that will preview our upcoming tours.

I truly believe travel will come back stronger than ever. We need it for our mental health, our physical health, and our country's health. Many of you are as ready as I am to hit the road. We know the tours will be popular and fill quickly. Please plan ahead and make your reservations early so you won't be disappointed. We will continue to limit our 56 passenger capacity so we can socially distance on the motorcoach. Unfortunately we will have to turn away people from each tour...but our travelers health and safety always comes first.

My motto has always been, "It's not about the destination, it's about the journey." The true value of travel is not from visiting a place but enjoying the people along the way. I invite you to experience the treasure of friends on a tour in 2021. When the quarantine is done—come have some fun—in twenty twenty one! Thank you for being patient while most of our staff are still furloughed. Please leave a message or email us anytime and we will get back to you within 24 hours. If you haven't heard from us, please call back. For those who have caller ID, remember we are working from home so the number will not come up as Personalized Tours.

I hope this newsletter makes you want to travel in 2021. As you travel, you realize that the world is a much better place than what you see on TV when watching the news. There is a quote by Mark Twain that I love: "Twenty years from now you will be more disappointed by the things you didn't do than by the ones you did do." Cliché as this may sound, the money you spend on travel is an investment in yourself...and there is no better investment. I haven't been everywhere, but it's on my list.

Our promise to you is that our customers continue to be our top priority and we never stop striving to exceed your expectations. Whether you have been traveling with us for the past 34 years or you are a new friend referred by Nationwide Travelers of Appleton, we welcome you enthusiastically when you are ready.

## Our New TOP Program

In 2021, Personalized is dedicated to bringing you the best in travel—the cleanest coaches, the most interesting itineraries, and the best staff along the way. In order to offer an even wider variety of tours, we have formed a partnership with 3 other tour companies referred to as TOP. Tour Operator Partners are leading tourism professionals who share our passion and love of travel, as well as having their client's interests in the forefront. Throughout the years, we have worked with

these industry friends and have come to appreciate their support and expertise. By partnering we are able to bring you the newest, coolest, and most fun trips available while keeping our small company feel and “Personalized” service intact. Keep an eye out for the TOP logo. Even our most seasoned travelers may find something new and unique!

### Single Traveler? Have No Fear!

We often receive questions why a single rate is more expensive than a double rate. Single supplement prices arise on extended tours due to hotel room pricing. For a double traveler the room cost gets split between two people, if you are traveling as a single, you pay the full cost of the room. That is the only cost that fluctuates for a single traveler.

We welcome and love having single travelers along for the journey—by the end of the tour, everybody feels like family. If you want to travel but don't have a companion, always call our office to check! We often have a list of singles who are looking for a partner to room with. Who knows, you may even meet a lifelong friend.

## TRAVEL INSURED PROTECTION

We all know that 2020 was a year of firsts. We learned how to live a little differently and travel even more uniquely. We also learned the importance of protecting our investment in travel. Travel Insured Protection offers you peace of mind, knowing that your tour is covered. They offer our travelers two protection plans:

- **Group Deluxe Coverage** - This is medical coverage that can be used in the event of illness and /or injury to the travelers, their partner or immediate family.
- **Cancel For Any Reason (CFAR)** - With this protection, you can cancel for a medical reason and receive 100% reimbursement, or cancel for any other reason and receive 75%. A great option for those who are looking for extra peace of mind.

These plans require purchase at the time of deposit and / or within 14 days of reservation. Also new in 2021, those of you with internet access will be able to logon and purchase your policy online! This new feature will help you review your plan whenever you'd like, take time to review terms of your policy from your computer / smartphone, and allow you to upgrade / purchase your plan yourself. This can help with claims, as you can readily check your status and upload documents right from your computer / phone. Remember, due to HIPAA regulations and medical privacy laws we cannot take care of claims for individuals. You are free to secure your own travel insurance as well.

## How To Book

## Michele's Minutes

2021 is going to be a great year. There, I said it! I refuse to believe otherwise. Seriously, there is nowhere to go but up! Vaccine distribution has begun, people are used to masking and handwashing for the safety of all, and the holiday season has brought a renewed sense of community and hope. 2020 has taught us many things, one of the biggest for us is how quickly things can change! This is going to be a continuing theme throughout 2021. Just as quickly as venues closed in 2020, they will begin to reopen in 2021 as more and more of our population are vaccinated against COVID-19, infection rates decline, and people begin to travel. What does that mean for the tourism industry? Well, we must be able to react quickly to get tours advertised as soon as we know a venue has opened and that means trips may come together on very short notice. This year more than any other, digital communication is going to be crucial. We put out this newsletter quarterly, but things will be changing rapidly and communicating four times a year simply will not be enough. Now more than ever, email and social media are going to be the driving forces in our industry. We will communicate any new tours (including Brewer games, if Miller Park can safely open for fans) as soon as we know about them via email and

social media (Facebook, Twitter, and Instagram). I know some people are wary about giving out their email addresses because they do not want to be inundated with constant emails or have their email address sold to a third party, but please know that we DO NOT sell our mailing list to anyone for any reason. We will send you a weekly email with tours and new information and occasional, supplemental emails when something new and time-sensitive comes up. If you do not want to miss out on anything, please sign up for our email list and follow us on Facebook, Twitter, or Instagram. We look forward to seeing everyone back on our buses as 2021 progresses. Here's to a fantastic 2021: the year of health and happiness!

### **We're Bringing New Orleans to Wisconsin!**

Bring home the spirit of Mardi Gras with this virtual experience package. For only \$139, you'll receive gifts from New Orleans and surrounding areas to get you in the holiday spirit. Also with this package, you'll receive \$139 credit if you book New Orleans in 2022! Call for a list of all inclusions.

## **REMINDERS**

**ONE-DAY TOURS** One-day tours must be paid within 7 days of making the reservation. They are non-refundable and only transferrable if we are able to replace you with someone from our waiting list. A \$20 deposit is required to hold space if reservations are made more than 90 days in advance.

**TRAVEL INSURED TRAVEL PROTECTION** Travel Insured Travel Protection will be offered on multi-day tours. To ensure that pre-existing conditions will be covered, travel protection must be purchased at the time the tour deposit is made. Protection for medical coverage DOES NOT cover pandemics. Please see "Cancellation For Any Reason—CFAR" for more wide spread coverage. If a claim must be made, due to privacy laws, all communication will be between the traveler and the insurance company. Personalized Tours will provide any information requested by the parties involved.

**PAYMENTS** Personalized Tours recommends payments via cash, check, or debit card. We accept Mastercard and Visa with a 3% credit card convenience fee. When Personalized Tours works with other tour companies that accept credit cards the 3% convenience fee does not apply.

**TOUR CONFIRMATION CALLS** It is Personalized Tours' intent to make courtesy calls (48-24 hours before departure) for one-day tours, confirming the pick-up information. If time does not permit, and you do not receive a call, please feel free to call us.

**RESERVATIONS** As we get past the "Shelter in Place" order and other COVID-19 related issues, we anticipate more and more people will be anxious to get out of the house and travel. Thus, tours will fill up (50% capacity) quickly and well in advance. Don't set yourself up for disappointment. Make your reservations as early as possible via phone, email, or text.

Please refer to our website or call and ask for a complete list of our policies and procedures. We cannot print all due to space constraints.

## **Emma's Updates**

**With new tours being added so often, having an email address on file is more important than ever! Be on the lookout every Wednesday for our Weekly Scoop. This email contains new tour announcements, discounts and special offers.**

**Due to COVID-19, we are following CDC recommended guidelines. These new policies include (but are not limited to) mask mandates, social distancing, reduced motorcoach capacity, routine cleaning of high touch surfaces, and coach sanitizing fogging nightly after use. While the vaccine has begun distribution, we will still continue to follow these guidelines until the CDC gives further instruction. Our main priority is always the safety and comfort of our travelers. If at any time you have concerns about our COVID19 policies, please call our office and we would be happy to explain them and go over our protocol in place for passengers and employees.**

## SEE WHAT PEOPLE ARE SAYING...

Personalized Tours does a great job keeping us safe & healthy, especially with COVID19 invading our territories. The staff is super friendly and very accommodating...always a class A act!

John M., Plymouth

"Traveling by bus means travel with no fuss, let Tracy and John worry about that stuff. Tracy has ideas you wouldn't believe, all of your worries she will relieve. So Personalized Tours is the way to go to keep up with traveling and keep the economy on the go!"

-Sue R., Adell

My first travel experience with Personalized Tours was exceptional. I was impressed with the professional skills of the tour director, Tracy and the driver, her father. The accommodations, itinerary were outstanding, and in the current situation with COVID, several changes were implemented very smoothly without disrupting the flow of the vacation. I will definitely travel again, already looking forward to Myrtle Beach in April, and highly recommend this tour company.

-JG., Thiensville

We traveled to Branson with Personalized this Fall, we absolutely loved our trip! They are very friendly and the bus driver was so awesome. We can't wait until next years tours come out!

-Mary S., Seymour

We took a mystery trip with Tracy and John and had the time of our lives! There was never a dull moment. Visited many amazing sights, ate lots of fantastic food and made new friends. We will definitely schedule another trip with Personalized Tours!
