## Tracy's Travels

I'm so excited to share that I'll be tour directing a few special trips in 2026! Years ago, I escorted nearly all of our tours, but as business has grown busier, my time on the road has become more limited. Anyone who knows me knows that traveling with our groups and experiencing new places together has always been my favorite part of this job.

I'm especially looking forward to the August Mystery Tour (Aug 24-29), which continues to be one of my favorite trips every summer. The memories, surprises, laughter, and so many repeat mystery travelers make it incredibly special every year. I'm also beyond excited for our Route 66 (Sept 22-Oct 8), adventure and am already planning fun activities for our time together on the coach!

And of course, I can't wait to escort our Paris River Cruise (Oct 26-Nov 3), including a bucket-list visit to Normandy for Jerry. We still have two cabins available, so give us a call and join us for a hassle-free adventure while Jerry and I take care of everything for you!

## Michelle's Magic

The Magical Gift of Travel...I have had so many great conversations this week with some of our travelers & even my 96-year-old mother-in-law, as they shared wonderful memories of their travels over the years. The smiles and laughter I see & hear from my mother-in-law, and the smiles I can "hear" through the phone when listening to our travelers, really put things in perspective. People always say, "Oh, that trip (or experience) is on my Bucket List". Y'all please don't make a Bucket List of "things you want to do before you die", make it a TODAY'S TO DO List!! There is NOTHING better than the gift of travel, whether it's for yourself, a family member, or maybe even a friend. Maybe it's inviting the neighbor down the hall, who lives alone, to a Fireside Theater show, or taking your mom or your daughter with you on a River Cruise, or asking your dad or grandpa to a Brewer's game, the gift of travel is not about the money you spend, it's about the priceless memories you're making! That is why we do what we do at Personalized Tours! We want to help you build your own memories, as well as, share those memories with others! Don't wait...give us a call and let us know how we can take things off your "Bucket List" and start marking them off your Today's To Do list!

### OUR OFFICE WILL BE CLOSED ON FRIDAYS Memorial Day thru Labor Day

To help you choose the right adventure, each tour is rated by activity level:

- **Level 1 - Easy:** Minimal walking and mostly seated activities. Suitable for those who prefer a relaxed pace.
- **Level 2 - Light:** Some walking and standing, such as short guided tours or visits with occasional steps or inclines.
- **Level 3 - Moderate:** Expect longer periods of walking and standing, possibly on uneven ground or up stairs. Good mobility is important.
- **Level 4 - Active:** A physically demanding tour with extended walking, standing, and limited opportunities to sit. Participants should be in good physical condition.

These levels help ensure everyone has a safe and enjoyable experience!  
See bold numbers after each one-day tour.
