Tracy's Travels

To our incredible travelers-Thank you. Truly. Your loyalty over the years has meant more to us than we can put into words. You didn't just choose to travel with us when times were easy, you chose us when the world was uncertain. During the pandemic, when travel paused and plans changed overnight, you stayed patient, supportive, and trusting. Because of you, Personalized didn't just survive, we became stronger. We are still here today because our travelers believe in personal service, thoughtful planning, and having a real human on their side when travel gets complicated. You've trusted us with milestone trips, long dreamed-of vacations, and once-in-a-lifetime experiences. That trust is something we never take lightly. Every itinerary we plan, every late-night change we make, every detail we double-check, it's all driven by the relationships we built with you. We appreciate every traveler who walks through our doors or picks up the phone to call us. And just like most businesses, we want to recognize those who go above and beyond by continuing to choose Personalized year after year. **Details on our loyalty program on page 10.**

Michelle's Magic

One of the most magical parts of my job here at Personalized Tours is creating & planning memorable trips for all our travelers. It's a fun, yet lengthy process, to ensure each trip is seamless. Another, even more magical part of this process, is seeing our travelers having such an amazing time on our tours! Unfortunately, the magic fades for all of us if our travelers don't sign up early enough & we have to cancel a trip due to not enough travelers when we have hotel & venue deadlines, or when you don't sign up early enough & the tour is already SOLD OUT when you call to sign up. So I am asking you all for a HUGE favor....PLEASE sign up EARLY and keep the traveling Magic alive! We look forward to welcoming you on one of our tours very soon!!!!

Personalized Perks

We are announcing our traveler loyalty program for 2026.

How Personalized Perks Works:

From January 1-December 31, 2026, you will earn a travel credit equal to 1% of your total travel spend that is booked directly through our office. Only trips booked with Personalized Tours qualify—bookings made through other agencies or groups do not. For example, if you spend \$5,000 on qualifying travel in 2026, you'll receive a \$50 (1%) travel credit to use in 2027. This travel credit will be emailed to you the first week of 2027. The credit is non-transferrable and has no cash value. A minimum of \$500 must be spent in the calendar year for the travel credit to be valid.

We also realize that not everyone wants to travel overnight and stay away from home. For travelers who reach 12 one-day tours within a calendar year, you will unlock an additional thank-you package from us. This will include Personalized company apparel, exclusive travel discounts, and extra upgrades on future one-day outings.

It's our small way of giving back to the travelers who have given us so much. We're grateful for you and can't wait to keep exploring the world together.
