Tracy's Travels

Well...this is the first time in our history that we didn't cancel ANY extended tours in the fall season, so that meant I needed to dust off my tour director nametag and hit the road. WOW, did it hit me how much I miss being on the road with the best travelers in the world! I am looking forward to joining Lynn, Donna, Aly, and Eda back directing tours. Our offering of tours has increased and our awesome travelers are traveling a lot so I'm able to join in on the fun! THANK YOU. You will start to notice a few adjustments at Personalized Tours in 2024. We are going back to our roots when it comes to "bigger is not always better." We don't want to grow too big, too fast and lose the "Personalized" touch that gave us our start 36 years ago and has brought us loyal travelers that helped us survive two economic downturns and a pandemic shutdown. Between my fabulous tour directors and my awesome, hard-working office team, I am blessed to love what I do everyday, no matter where I happen to be working.

Holiday Hours

I know it feels early to already be thinking about Christmas and the New Year, but we want to remind everyone of our holiday hours.

Our office will be CLOSED the week between Christmas and New Years. If you call our office during this time, please leave a message. We will answer all voicemails upon our arrival back in the office (Jan 2). If you would like to make a reservation, please visit our website or email us so we have a written confirmation

We wish Laney Bares the BEST as she goes off to college and we miss her already...so glad she has agreed to help out on her visits home occasionally.

2024 Tours—What's The Scoop?

We know many of you are anxiously awaiting our 2024 tour schedule. Today is your lucky day! Our 2024 schedule is provided on page 2.

We have been working feverishly to get dates locked in and prices confirmed with vendors and attractions across the United States (and Internationally). As many know, the shortage of staff has left some locations with minimal help, especially during the busy season of summer and fall.

You may notice some of the listed tours for 2024 are missing a price. Please be patient with us as we await final contracts and confirmations before a price can be determined.

Be sure to attend one of our travel shows later this fall for more information on 2024 tours—we hope to have most brochures final by then.
