Tracy's Travels

We are thrilled to be growing as a company, and that growth is thanks to the incredible support of our travelers. As we continue to expand, we want to reassure you that we remain deeply committed to the core of what makes us special—our personalized service. Getting bigger doesn't mean getting impersonal. We promise never to lose the personal touch that has defined our company from the beginning. You are not just another booking to us—you're part of our travel family.

With that in mind, we are very excited to welcome **Michelle Davis** to our team! Michelle brings over 30 years of experience in the hospitality industry and will be joining us in **operations**, working specifically within our **tour department**. While you might not see Michelle on a daily basis, you will experience her behind-the-scenes excellence in the seamless, thoughtful travel experiences we continue to provide. Her official start date is **September 15**, and once she's settled in, she'll be working alongside Tracy.

If you're still looking for opportunities to travel in **2025**, there's plenty to be excited about! There are some truly amazing trips still available, including tours that showcase the **beauty of West Virginia**—an area that shines especially bright in the fall. If that region is on your bucket list, now is the perfect time to plan.

We recommend visiting our website **often**, as that's where we announce new tours first. We're constantly adding new trips, destinations, and exciting opportunities to explore—so don't miss out! As always, the **best way to reach us is via email** at info@gopersonalized.com—especially on Mondays. Our phone lines have been averaging **150 calls** each Monday, which can make it tough to get through. But rest assured, someone is always monitoring emails closely and watching the phones to help in a timely manner.

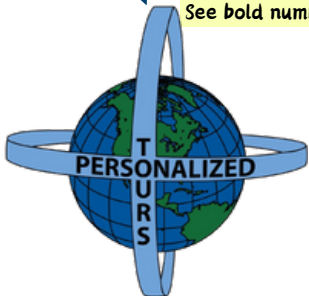

We're excited about the future and grateful to be on this journey with you. Whether you're a new traveler or a longtime friend, thank you for choosing to travel with Personalized!

Activity Levels

To help you choose the right adventure, each tour is rated by activity level:

- Level 1 - Easy: Minimal walking and mostly seated activities. Suitable for those who prefer a relaxed pace.
- Level 2 - Light: Some walking and standing, such as short guided tours or visits with occasional steps or inclines.
- Level 3 - Moderate: Expect longer periods of walking and standing, possibly on uneven ground or up stairs. Good mobility is important.
- Level 4 - Active: A physically demanding tour with extended walking, standing, and limited opportunities to sit. Participants should be in good physical condition.

These levels help ensure everyone has a safe and enjoyable experience!
