"How lucky I am to have something that makes saying 'Goodbye' so hard."-Winnie the Pooh

Through 17 years, 68 newsletters, and numerous long hours, Joy has been my right hand in the office - that person I bounced ideas off, laughed with, and counted on more than she'll ever know. Her tremendous professionalism and dedication will not be easily replaced-so I'm not going to try. Personalized Tours is a better company because of Joy's love for people, places and perfection. I wouldn't have been able to do my job on the road without her doing her job so well in the office. I surely will miss our Tuesday & Thursday time, but Joy has worked 47 years planning every little detail for others, so now it's her time to enjoy some travel, family time and using her talents in other ways. Whenever I speak to a southerner named "Rick" or book the Confucius House (inside jokes)-I will smile and realize how lucky I was... Tracy

Goodbye. Thank you all.

Since January of 2002 it has been my pleasure to be part of the Personalized Tours' staff. Beginning in Gloria's basement with the three of us, then moving to Tracy's basement and finally to this lovely facility on Highway 57, I have seen the staff double and the number and scope of the tours increase. In addition to working with wonderful people, the best part of my job has been meeting all of you-some long-time clients and some new faces. I will miss our conversations and seeing your smiles.

People have asked me, "What will you do now?". I have enough projects around my house and yard to keep me busy for some time. I am active in my church, holding several offices and positions. My husband and I will continue to care for the landscaping at an estate on Lake Michigan, and my family (2 children, spouses, and 4 grandchildren) keeps me busy. "Grandma, can you make me a hat?" (I enjoy all types of needlecraft). Last but not least, we plan to spend a couple of months in Florida each winter and have a few trips planned. Travel is in my blood.

Joy

TRACY'S TRAVELS

Happy New Year! WOW, another year under our belt. With over 200 tours completed and 175,000 miles driven throughout the country, we are both thankful and blessed. I am excited to try some different things this year... like a mystery tour that not only has a surprise destination, but also a secret return date... and a weekend to relive the 60's and pay tribute to Woodstock and rock 'n' roll... and a tour along the "The Crooked Road" through Kentucky and Virginia where country music was born. Take a look through the next pages of this catalog. We have tried to provide something for everyone. Give us a call with any questions you might have and to request more detailed information. See you on the road.

January Travel Shows

"Thank You" to all of you who took time out of your busy schedules to join us at one of our January travel shows. All records were broken with a combined total of over 300 people. We hope you found them interesting and informative. We enjoyed seeing old friends and meeting new ones.

BASEBALL

Personalized Coaches has been chosen as the official transportation provider for the Lakeshore Chinooks baseball team. We are delighted to be offering tickets and tailgate to the July 7th home game at beautiful Kapco Park in Mequon. Details on page three.

WHERE WILL I GO? Near or far? North, south, east, or west?

HOW WILL I TRAVEL? Boat, airplane, train, or motorcoach?

WHAT WILL THE SCENERY BE LIKE? Mountains, beaches, desert, or swamps?

WHAT WILL THE WEATHER BE? Hot and humid, sunny and dry, or cool and crisp?
