TRACY'S TRAVELS

We just got back from a wonderful month at the Pink Shell Resort in sunny, warm Fort Myers Beach, FL. The group enjoyed some optional planned activities, a lot of free time, group social hours, and beautiful sunsets over the Gulf of Mexico! They had so much fun in Florida that they asked to stay longer next year! With that in mind, plan on joining us in 2018, as we leave Wisconsin on January 30th and return to Wisconsin on March 3rd. Watch for the 2018 Florida Escape brochure to be available soon and sign up early for the best selection of room types. Bus and fly options will once again be offered.

Brand New Website

Personalized Tours' new website design is currently under construction. It will not only have a great new look, but it will be easier for you to navigate. The website will be up and running in April, so check it out and let us know what you think.

30TH ANNIVERSARY SPECIAL
