Personalized Tours invites you on a spectacular tour that you will not soon forget. We make our way out to the East Coast to explore the Outer Banks of North Carolina and spend time in Norfolk Virginia, all leading up to the Virginia International Tattoo performance. While exploring the East Coast, we will enjoy all the area has to offer and find out what makes the Outer Banks such a sought after destination, named one of the top places to visit in the US year after year. Oceanfront views and delicious seafood greet us at every stop. Learn about the Lost Colony and the legend of Roanoke Island, visit the tallest brick lighthouse in the world, and maybe see some local wildlife along the way! We'll even have time to visit Kitty Hawk, where the Wright Brothers made their first flights. After time exploring this unique historic area with our local guide, we venture north to Virginia Beach for the Virginia International Tattoo. This display of military bands from around the globe is an annual tradition and beloved by all. Even if you've joined us for the Tattoo before, this itinerary is brand new and offers something unique for all to enjoy. WHAT IS THE VIRGINIA INTERNATIONAL TATTOO?

Imagine if Hollywood decided to create an old-fashioned epic motion picture with a patriotic theme and you had the chance to see it performed live: a huge cast, stunning costumes, intricate choreography, a dramatic musical soundtrack, moments of sheer spectacle, stirring pride and patriotism, something to make you laugh, something to make you cry, all in an amazing show that flies by way too quickly. **THAT'S** the Virginia International Tattoo.
