

The Travel Bug

JANUARY APRIL **JULY** OCTOBER

Finally some fun in 2021!

TRACY'S TRAVELS...

I can honestly say the last month was one of the best I've had when it comes to traveling. Even though I was only home 5 days in June, the trips were as perfect as the travelers that came along. We started with a fabulous group on our Coastal Virginia tour and experienced the incredible military "Tattoo" in Virginia Beach. I sure wish I could clone this group—they were the best at laughing their way through life! We will be offering a different routing for the Tattoo in April of 2022. The all new itinerary encompasses the Outer Banks, a beautiful spring tour. We packed up the next group and headed to Mackinac Island for the fragrant lilac festival and a 3-night stay at the exquisite Grand Hotel. Next year we will repeat our stay at the Grand Hotel and also include Thunder Bay's Elk Resort. Such a great summer tour in Michigan. And our final group experienced the best Alaska has to offer...beautiful weather for 14 days, an abundance of wildlife, and delicious food and sights. From helicopter tours, calving glaciers, to pristine waterfalls the group had the best time ever! See our Facebook page for photos and comments. If Alaska is on your bucket list, don't miss our presentation with John Hall's Alaska on August 23 in West Bend OR Waldo. See what we are offering in 2022, you won't be disappointed. Our travel shows are a great way to plan future trips and meet our staff.

MEET THE STAFF

Personalized Tours is happy to welcome two new faces to our team. These two women have taken on the wonderful challenge of directing both one-day and extended tours. With such a busy schedule this year, Tracy is unable to direct every trip. Lynn may be familiar to some of you who have taken some recent one-day tours, and some of you may recognize Peggy, formerly of Nationwide Travelers, where she previously worked as a tour director. You will occasionally see Emma filling in where needed.

Welcome Lynn!

Hi, my name is Lynn and I am happy to be the newest member of the Personalized Tours Family. I live in Cedarburg with my husband Larry and we have a daughter Mackenzie who is 21 and just graduated from college.

My family and I have always enjoyed traveling and on a trip to the Fireside Theatre last December as a passenger I told Tracy I wanted her job. She answered be careful what you wish for and a few months later I was hired.

Before joining Personalized Tours, I worked for the Cedarburg Chamber of Commerce as their events coordinator. Since coming onboard in May, I have taken out several one-day trips and really enjoy getting to know our customers face to face. I am looking forward to meeting each and every one of you on a tour and seeing where this adventure takes us.

Welcome Peggy!

I grew up on a dairy farm in Central Wisconsin and if you know anything about dairy farming, you know that I did not get to travel. My biggest thrill was when we would visit my sister in Iowa and I got to cross the Mississippi River. That started my desire to travel.

I was an educator so during the summer I started taking my 2 children on vacations. I drove all over the country with no GPS, made many wrong turns but we always made it to our destination. Now they are grown so I take my grandson on new adventures.

In addition to working in education I was a tour director for several years, took a break and then came back to it. Covid stopped that part of my career and now I am so glad to have the opportunity to be with Personalized Tours. I never tire of going places, trying new foods and best of all, meeting people.

REMINDER: One-day tours are non-refundable AND non-transferrable. We must give final counts and payments for tickets and meals months in advance. When you cancel your reservation we aren't able to recoup the cost of your ticket. IF we have someone on the wait-list and they fill your reservation, you will be offered a chance to transfer that payment to a future trip. IF you find a replacement, that person can pay you directly and take your spot. Remember this is ONLY if we fill your spot.

Policies and Procedures

Deposit and/or final payment for any tour through Personalized Tours constitutes full knowledge and acceptance of our policies. As always, if you have questions, please call our office. Michele's Minutes

Is it just me, or have the last two months just flown by? It seems we've been on the go day and night, weekdays and weekends. We've been doing everything we can to encourage people to travel again, including providing shuttling services from locations that are not in our normal area of service. We've done this so we could have enough travelers to make our tours run because we hate cancelling tours as much as you hate having your tour cancelled. Unfortunately, we are at the point where this is no longer a viable option. Starting July 10th, we will be offering free shuttle service only from Appleton, Oshkosh, and Fond du Lac on overnight tours (3 days or longer) hosted by Personalized Tours (along with our regular "southern" pickup points). Anyone who has shuttle services arranged from a location other than those listed prior to July 10th will still receive that service. On our shuttle runs, we've also had many travelers comment that they would have driven to the Waldo area and

spent the night at a hotel prior to their early departure on their tour had they known of a hotel in the area. That got us thinking! We are making arrangements with a hotel in Plymouth to offer a special "pre-night" rate for those who would rather drive to Plymouth the night before and join our tour in Waldo (just 10 minutes south on Hwy 57) instead of having to get up earlier to meet a shuttle in Appleton, Oshkosh, or Fond du Lac. Our pre-night package will include a nice dinner upon arrival and a meet & greet with a member of our staff to answer all your questions prior to the tour departing. We feel that it's always good to have options so you can choose what works best for you and are always looking for ways to make traveling more comfortable and convenient. We are looking forward to working with more and more travelers from the Fox Valley as we see reservations from that area increasing with each trip. Here's to a great rest of the summer! Stay cool and give us a call when the Travel Bug bites!

Appleton Pickup

Our Appleton Pickup has found a new location! With the sale of the previous Nationwide Travelers building, we are no longer using it as a pickup point. All Appleton pickups unless otherwise stated will be at the Home Depot West (653 N Westhill Blvd, Grand Chute, WI 54914) near Burlington. Please call our office if you have any questions regarding pickup.

EMMA'S UPDATES

2021 has been flying by and we are half way through the year! As we expected, the travel industry picked up as quickly as it shut down, and our office has been flooded with emails, phone calls, text messages and even hand-written letters in the past few months. As tours ramp up, many of our long-time travelers know that Tracy will be on the road directing many of the tours and may not have office hours where it is easy to reach her. We always love to hear from our longtime customers, but please note that with her busy schedule, she is unable to take phone calls regarding reservations or general information. When Tracy returns from a tour she is very busy with paperwork and future tour arrangements. Michele and I are working in the office daily and can help with any reservations, payments, or general questions. If you need to reach Tracy for something other than those, we are more than happy to pass along a message and a call-back number.
