

ARLINGTON RACES

Thursday, August 2, 2018

WIN! PLACE! SHOW! For twenty minutes it's your race. You have twenty minutes to match wits with your fellow fans. Start by picking up your Daily Racing Guide. It contains all the clues you need to figure out the winners; how fast the horses have run previously, at what distance, who the jockey is along with the opening odds and how the experts see the race. Head down to the Paddock. Watch your horse and jockey prepare. Check the tote board. Here's where you see what your fellow players are thinking. Find out whether people are thinking like you or if you're standing alone on the courage of your conviction. Once you're ready to stop by one of the betting windows, just state the track, the race number, the amount, type of bet and the horse's number. You've done all you can. Now, it's out of your hands..... for the next two minutes, it's in theirs.
